Who Are We?

DignityUSA was founded in 1969 in San Diego. It is the oldest and largest progressive national lay movement of Lesbian, Gay, Bisexual and Transgender (GLBT) Catholics, our families, and our friends. Dignity San Antonio is a local chapter and small faith community committed to the statement and position of purpose.

Education Reform

Through our national and local efforts, Dignity works for education, for the reform of the Church's teachings and pastoral practices toward sexual minorities, and for the acceptance of all people as full members of the Church.

Equality through Christ

We believe that gay, lesbian, bisexual and transgender persons can express their sexuality in a manner that is consonant with Christ's teaching. We believe that we can express our sexuality physically, in a uniform matter that is loving, life-giving, and life-affirming. We believe that all sexualities should be exercised in an ethically responsible and unselfish way.

Purpose

To be such an organization, we accept our responsibilities to the Church, to our Catholic heritage, to society, and to individual gay, lesbian, bisexual and transgender Catholics.

Vision Statement

DignityUSA envisions and works for a time when Gay, Lesbian, Bisexual and Transgender Catholics are affirmed and experience dignity through the integration of their spirituality with their sexuality, and as beloved persons of God, participate fully in all aspects of life within the Church and Society.

Please join our faith community as we strive for affirmation and experience Dignity through the integration of our spirituality and our sexuality

What are we about? (Nationally & Locally)

Spiritual Development: We strive to achieve Christian maturity through the sacraments, personal prayer, and liturgical celebrations, especially the Mass.

Education: We inform ourselves in all matters of faith and concern to our communities so that we may grow in maturity and live fulfilling lives in which our sexuality and spirituality are integrated.

Equality: We dedicate ourselves to the potential of all persons to become more fully human. To do this, we work toward the eradication of all constraints on our personhood based on the ascribed social roles of women and men and to promote inclusivity in all areas of liturgical and community life.

Social Justice: We involve ourselves in actions that bring the love of Christ to others and provide the basis for reform in the Church and society. We work with and are committed to individuals: Gay, Lesbian, Bisexual, Transgender Groups, religious and secular Groups, Health Care, and women justice issues.

Social: We provide activities of a social and recreational nature in an atmosphere where friendship and relationships can develop and mature, and where our sense of self-acceptance and dignity is affirmed.
